

STOP 3500 HOUSES AT GLYNCHBROOK

Stand with your community. Stand up for our countryside.

Unite with us against the proposed 3500 houses at Redmarley
A development of this scale will permanently change our rural communities, landscape and way of life

– TAKE ACTION NOW –

Attend the consultation – 2 March | 3.30-6.30pm | Redmarley Village Hall

Submit your objections to FODDC from 4 FEBRUARY TO 18 MARCH

Every individual response is counted and considered

**We need help with the legal fees to fight this development,
if you are able to please donate now, thank you!**
